Gentl - We duly  
received your letter countermanning  
the order on Stained Light-Clotte  
or did not stuff though had  
part of them all ready to go  
when it came - We had a place  
for it, so it did not make so  
much difference as it otherwise  
might, but - when we have an  
order we count on filling it  
and - when it stopped so  
suddenly as this was - right  
put us about considerably -

We would like to know what  
you are use now - Can you use

the new Lt Cloakings - Have a  
few balls of those - also some  
nice new Clips - etc -

Let us know what you  
are in the market for -

and oblige

Truly Yours
